Dear Ms. Clark:

Attached are eight Commonwealth of Virginia Database Index Reporting Forms. Five of these are new submissions. Three are updates for previously reports databases. Please remove the 2004 submissions for databases titled, 'Livestock', 'Slaughter Cattle' and 'Mailing List' as they are the previously reported databases that are updated in this submission. Also remove the 2001 submission titled 'Monthly Highlight Report', because you have a 2002 version of the report on your website.

If you have questions, please contact me via: doconnell@vdacs.virginia.gov .

Sincerely,

A handwritten signature in black ink, appearing to read 'Don O'Connell'.
